

NATP Michigan Chapter EA Exam Study Workshops

The NATP Michigan Chapter wants to help you pass the Enrolled Agent Exam. If you are looking for additional study classes after you take National's EA Exam Review Course (details on the next page) or study on your own, don't miss this special opportunity.

There are no materials provided for this course and prior study is required. Our class will be built using NATP's EA Exam review material and examples. Time permitting, we are open to using information from any material that the class may request. Class size is limited so we can give you individual attention.
